ISSUE:

The attached resolution proposes to approve for future consideration of funding the following project for which a Negative Declaration has been completed:

- Route 44 in Shasta County – Increase capacity and improve operations and safety in Redding.

This project is not fully funded. The project is funded in the 2004 State Transportation Improvement Program (STIP) for \$440,000 in Regional Improvement Program funds and \$440,000 in Interregional Improvement Program funds for the Project Approval/Environmental Document (PA&ED) phase. The total estimated project cost is \$43 million. The Department is working with Shasta County on developing a plan to fund the project in a future STIP cycle.

A copy of the Negative Declaration has been provided to California Transportation Commission (Commission) staff. The Department of Transportation (Department) has approved the project for construction. This approval and the filing of the Notice of Determination with the Office of Planning and Research will satisfy the environmental requirements for this stage of the project planning process.
